

For the **7th Symposium on Structural Proteomics**, October 23-25th, 2017 in Vienna (<http://www.structuralproteomics.net/>) 10 travel grants up to € 500,00 are available.

Travel receipts will be asked in order to justify the requested amount.

Participants from Societies other than the local organizers will be receive priority. Awardees will be identified by EuPA EC in agreement with a local society representative. Applications should be sent to the EuPA Secretary, Christian Kleinhammer (c.kleinhammer@aon.at), not later than three weeks before the event.

Applicants must meet the following requirements

- (i) PhD/Master degree ≤ 7 years;
- (ii) individual member of a EuPA Associated Society;
- (iii) completed registration for the intended Conference;
- (iv) submission of an abstract for the Conference

Travel cost receipts and certificates of attendance at the Conference/Workshop(s) are needed in order to document and justify the final grant payments.
